

# **Cindy Ross**

## **Stable Manager and Instructor**

I have been around horse since the age of four. During my youth I had two ponies and participated in 4-H and other low-level horse shows. Several years of college and office work made me miss horses terribly and a week long vacation on a Montana cattle drive changed my life. It made me realize I wanted to be around horses.

Shortly after returning to New Jersey, I began volunteering with SPUR. I worked on weekends in the barn at Huber Woods over the summer and then began working full time with the Monmouth County Park System as the Equestrian Program Coordinator.

For the past five years I have been the Stable Manager. I am a NARHA Certified Therapeutic Riding Instructor and am a Parelli Natural Horsemanship Level II Graduate. I love sharing my passion for horses with others. I'm often asked if I own my own horse and the answer is no.

I have a fish and four adult cats.
