Working in conjunction with the Monmouth County Park System, Special People United to Ride (SPUR) is a non-profit 501(c)(3) organization that provides individuals with disabilities the opportunity to achieve personal goals through therapeutic horsemanship. The Park System's Sunnyside Equestrian Center provides a safe environment for students to enjoy the freedom of riding and handling a horse.

A dedicated group of individuals work together to staff the equestrian center year round. Instructors are certified by PATH International, the governing body of therapeutic horsemanship. In addition to the staff, over 100 volunteers help with programs serving more than 200 students with disabilities annually.
