

Observation area; one of many Phase II benefits made possible through our wonderful supporters.

Photo by Ann Loftus

Students come to SPUR to enjoy the many benefits of therapeutic horseback riding, beginning at the age of four. Their caregivers are firm believers in the physical and emotional gains achieved in SPUR lessons. The students are the realization of these attributes.

Your membership will help us to turn more dreams into reality. Volunteering and supporting SPUR-sponsored fundraising events are other ways you can show your support throughout the year.

On behalf of all SPUR students, we thank you for your continued support.

If you have already renewed your membership, please feel free to pass this card along.

Working in conjunction with the Monmouth County Park System, Special People United to Ride is a non-profit organization dedicated to providing individuals with disabilities the opportunity to achieve personal goals through therapeutic horseback riding.
